LABELS THAT MATTER

When browsing our assortment, keep an eye out for different environmental and quality certifications. Other certifications also shed light on how to dispose the product in a responsible way after use.

OK COMPOST HOME
OK compost HOME, from the certification body TÜV Austria, ensures that the product can be put on a compost heap in a garden at your home and meets the European standard EN 13432. Our products with the OK compost HOME label also meet the criteria for OK compost INDUSTRIAL – difference being that the industrial composting process requires significantly higher temperatures.

THE FOREST STEWARDSHIP COUNCIL® (FSC®)
Ensures that the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.

NORDIC SWAN ECOLABEL
Identifies the best products on the market from an environmental point of view. For instance, it confirms our stearin candles consist of 90% renewable materials and minimise soot emissions.

THE RAL QUALITY MARK
Awarded by the European Quality Association for Candles. It guarantees the candle burns cleanly, contains no hazardous materials, retains its shape and is safe and reliable.

ECOVADIS 2026
Duni Group has once again been rewarded an EcoVadis gold medal, with an increased score from 79 to 81. EcoVadis is an independant platform for evaluating companies' sustainability performance.
